8. Will see ISI MARK 1

   Expiry Date
   Weigh Gas Cylinder
   Vegetable Vendors must use
   Weighing machine
   Any other

Short answers-SA (3 marks)

1. Indian merchants and industrialists wanted protection against imports of foreign goods, and a rupee-sterling foreign exchange ratio that would discourage imports. To organise business interests, they formed the Indian Industrial and Commercial Congress in 1920 and the Federation of the Indian Chamber of Commerce and Industries (FICCI) in 1927.

2. Led by prominent industrialists like Purshottamdas Thakurdas and G. D. Birla, the industrialists attacked
colonial control over the Indian economy, and supported the Civil Disobedience Movement when it was first launched.

3. They gave financial assistance and refused to buy or sell imported goods. Most businessmen came to see swaraj as a time when colonial restrictions on business would no longer exist and trade and industry would flourish without constraints.

Or any other relevant point.

2. 1. A sense of collective belonging came partly through the experience of united struggles. There were also a variety of cultural processes through which nationalism captured people’s imagination.

2. History and fiction, folklore and songs, popular prints and symbols, all played a part in the making of nationalism.

3. It was in the twentieth century, with the growth of nationalism, that the identity of India came to be visually associated with the image of Bharat Mata. The image was first created by Bankim Chandra Chattopadhyay. In the 1870s he wrote ‘Vande Mataram’ as a hymn to the motherland.

Or any other relevant point.

3. 1. In the administrative field he had incorporated revolutionary principles in order to make the whole system more rational and efficient. The Civil Code of 1804 – usually known as the Napoleonic Code – did away with all privileges based on birth, established equality before the law and secured the right to property.

2. This Code was exported to the regions under French control. In the Dutch Republic, in Switzerland, in Italy and Germany, Napoleon simplified administrative divisions, abolished the feudal system and freed peasants from serfdom and manorial dues. In the towns too, guild restrictions were removed. Transport and communication systems were improved.

3. Peasants, artisans, workers and new businessmen enjoyed a new-found freedom. Businessmen and small-scale producers of goods, in particular, began to realise that uniform laws, standardised weights and measures, and a common national currency would facilitate the movement and exchange of goods and
capital from one region to another.
Or any other relevant point.

Or

1. Women in Vietnam traditionally enjoyed greater equality in comparison to that in China. They had only limited freedom to determine their future. They enjoyed no public life. But with the growth of nationalist movement the status of women improved. Writers and political thinkers began idealising women who rebelled against social norms.

2. This rebellion against social conventions marked the arrival of the new woman in Vietnamese society. A play was written by the nationalist Pharr Boi Chau in 1913 on the lives of the Trung Sisters who had fought against Chinese domination in 39-43 CE. In this play he depicted these sisters as patriots fighting to save the Vietnamese nation from the Chinese.

3. They were portrayed as young, brave and dedicated. Nguyen Thi Xuan was reputed to have shot down a jet with just twenty bullets. They helped in nursing the wounded, constructing underground rooms and tunnels and fighting the enemy. Between 1965 and 1975, of the 17,000 youth worked on the trail, 70 to 80 per cent were women.
Or any other relevant point.

4. Benefits of use of biogas in rural India: three points
   1. Gas has higher thermal efficiency in comparison to kerosene
   2. Provides improved quality of manure
   3. Disposal of farm waste, animal and human waste

5. Favorable conditions for growth of railways in the Northern Plains
   1. Vast level land
   2. High population density
   3. Rich agricultural resources

Unfavorable conditions for growth of railways in the Northern Plains
   1. High relief
   2. Sparse population
   3. Lack of economic opportunities

6. The values associated with tourism are:
1. It promotes national integration
2. It provides support to local handicrafts and cultural pursuits
3. It develops international understanding among countries
4. It increases foreign exchange

<table>

8. Deepening of democracy is a challenge that is faced by almost every democracy in one form or the other for example. In case of India. Some challenges that are faced are as follows:

   1. Strengthening of institutions and practices of democracy.
   2. Strengthening of those institutions that may help people’s participations and control.
   3. This may require to check the influence of the rich and powerful people in making government decisions.

9. Transition to democratic institutions from non-democratic regimes, separation of military from governing authority, establishing a sovereign and a functional state can be some of the foundational challenges in democracies.

   The values that may help overcome them are
   - honesty
   - equality
   - freedom

10. Removing barriers or restrictions set by the government is known as liberalization.

    1. Time has come for Indian producers to compete with the producers around the globe.
    2. Completion would improve the quality of the goods.
    3. International organization supported this.

11. RTI ACT
RTI Act was passed in the parliament in the year 2005.
Ensures citizens all the information about the functions of the government department.
The services provided by the government department can be reviewed.

12.

1. Company has lived workers for short period
2. Lot of pressure and work over time
3. No work when there is no demand

Government
1. Should set some laws to see that the companies see the welfare of the workers
2. Labour laws properly implemented
3. Employer

Long answers-LA (5 Marks)

1. 1. Equality before the law did not necessarily stand for universal suffrage.

2. In revolutionary France, which marked the first political experiment in liberal democracy, the right to vote and to get elected was granted exclusively to property-owning men.

3. Men without property and all women were excluded from political rights. Only for a brief period under the Jacobins did all adult males enjoy suffrage.

4. However, the Napoleonic Code went back to limited suffrage and reduced women to the status of a minor, subject to the authority of fathers and husbands.

5. Throughout the nineteenth and early twentieth centuries women and non-propertied men organised opposition movements demanding equal political rights.

Or any other relevant point.

Or

1. The French wanted to civilize the Vietnamese by imposing the ‘modern’ European culture on them. They
also wanted to educate the local people so that a large workforce could be created for clerical jobs.

2. They did not want to impart a better education as they were afraid that more education could lead to awakening among the local people which could prove dangerous for the colonial rulers. So, full access to French education was denied to the Vietnamese.

3. The elites in Vietnam were highly influenced by the Chinese culture. It was important for the French to counter this influence. They systematically tried to dismantle the traditional education system.

Or any other relevant point.

2. 1. The movement started with middle-class participation in the cities. Thousands of students left government-controlled schools and colleges, headmasters and teachers resigned.

2. Lawyers gave up their legal practices. The council elections were boycotted in most provinces.

3. In Awadh, peasants were led by Baba Ramchandra – a sanyasi who had earlier been to Fiji as an indentured labourer. The movement here was against talukdars and landlords who demanded from peasants exorbitantly high rents and a variety of other cesses.

4. In many places nai – dhobi bandhs were organised by panchayats to deprive landlords of the services of even barbers and washermen. In June 1920, Jawaharlal Nehru began going around the villages in Awadh, talking to the villagers, and trying to understand their grievances.

5. By October, the Oudh Kisan Sabha was set up headed by Jawaharlal Nehru, Baba Ramchandra and a few others. Within a month, over 300 branches had been set up in the villages around the region.

Or any other relevant point.

3. Road Density: The length of road per 100 sq.km of area.

Problem faced by roadways: 1x4=4

1. Keeping in view the volume of traffic and passengers the road network is inadequate.
2. About half of the roads are unmetalled and this limits their usage during the rainy seasons.
3. The national highway are inadequate too
4. Roads are highly congested in cities.
5. Most of the bridges and culverts are old and narrow.

4. Better location for setting up jute industry is Hugli basin.

Reasons:
1. Proximity of the jute producing area
2. Inexpensive water transport
3. Good network of railways, roadways and waterways to facilitate movement of raw material to the mills.
4. Abundant water for processing raw jute
5. Cheap labour from West Bengal and adjoining states of Bihar, Odisha and Uttar Pradesh
6. Kolkata provides banking, insurance and port facilities for export of jute goods.

5. Democracy is much superior to any other form of government in promoting dignity and freedom of individuals.

- Democracy ensures that the conflicts that arise among the individuals because they might feel abenated or un-equal are checked and equality of social, political science and economics kind is ensured to all.
- The passion for respect and freedom are basis of democracy. This principle is universally recognized.
- Most societies are made dominated and woman do not get equal change. In democracies equal respect and treatment to women has been accepted.
- Democracies especially in countries with diversity such as India have recognized the claims of the backward and disadvantaged section of society and they are granted equal status and opportunity.
- People can publically express their dis-satisfaction with democracy and thus make it more legitimate and responsive.

6. Opposition parties play an important role in democracies. They play both positive and negative role.

Positive role:
1. They ensures political party in power does not misuse or abuse its power.
2. It exposes the weaknesses of the ruling party
3. It keeps a close vigil on the bills and expenditure of the government
Negative role:

1. It targets the government and aims as dislogging and discrediting the government for all the ills and the troubles the people face.
2. Through stalling the proceedings of the parliament, dharmas and gharries, it curtails the progress of the country.

The oppositions work is not to abstract, shall the functioning of the administration but keep a close watch on the working of the party in power so that democracy becomes meaningful.

7. Globalisation has mixed impact-

1. Advantage to consumers- greater choice.
2. Employment opportunities
3. Local companies benefitted
4. Indian companies have turned into MNCs
5. Standard of living improved
6. Quality has risen

Demerits

1. Rising completion
2. Some small producers had to close the industries
3. Uncertain employment and insecurity among workers
4. Any other point

8. Formal

- Banks co-operatives
- Low rate of interest
- No unfair means adopted to take back the money if no re-payment is done.
- Supervised by RBI
- Have to ad-here to terms of credit is collateral rate of interest. Mode of payment and documents

Informal

- Money lender, relatives, land lords
- High rate of interest
- Other conditions like cultivate land during harvest time etc.
- Unfair measures
- Not supervised

Self help groups is an alternative source.
2. On the given political outline map of India:

a) Identify
   A. Iron ore mine- Kundremukh
   B. Software technology park- Thiruvananthapuram

b) Locate and label
   Jawaharlal Nehru Port
