Year of Implementation:

Introduction:
The Bachelor of Social Work (BSW) Programme shall be of three year duration. The Programme shall be spread over six semesters. The degree of Bachelor of Social Work (BSW) is Professional degree in social work. The BSW programme is aimed to equip students of social work as a change agent at grass root level and contribute to policy making also. It is a recognized qualification for professional positions in Governmental, Industrial & voluntary sector. This degree equips a student with knowledge, skills, techniques, methods, attitude & professional development required for social work field.

Eligibility:
Any Student passed with Higher Secondary examination (HSC) from any faculty i.e. art, commerce & Science.

Medium of Instruction:
Medium of instruction shall be Marathi & English.

Course Structure:
The following shall be the theory classes, field work practicum and project report in the semester pattern for the Bachelor of Social Work to be introduced from the academic session 2019 – 2020.

Course Description:
This degree course have 152 credit which is spread over Six Semester in 3 year including 5 papers of 75 Marks (3 Credit) each in I year (I & II SEM) & 4 papers of 75 marks (3 Credit) each in II & III year (III, IV, V, & VI SEM) & one SEC each Semester of 50 Marks (2 Credit). For each Paper there will be Continuous Assessment (C.A.) for 35 Marks and End Semester Examination (E.S.E) for 40 Marks.

Field work Practicum of 150 Marks (6 Credits) in each semester. Field Orientation, Individual & Group Conference, Orientation visit will be organized as a part of field work practicum. Evaluation of field work practicum will be according to following scheme.

<table>
<thead>
<tr>
<th>Sr. No. / Activity</th>
<th>Concurrent Field Work (CFW)</th>
<th>Individual Conference (I.C.)</th>

</table>
Learner Objective:

- To aware about knowledge and skills needed to effectively manage human resources.
- To enable learner about the function of the Human Resource Management Department.
- To aware about knowledge of human behavior in organizations and the role of management strategies, including motivational theory to influence behavior.
- To develop Knowledge of Integrate teamwork, leadership and motivational skills to organizational Development.

Unit-1: Introduction to HRM:

- Concept & Meaning, Definition of HRM
- Objectives of HRM
- Principles of HRM
- Importance of HRM
- Scope & Principles of Management.
- Qualities of H.R. Manager

Unit-2: Human Resource Planning:

- Need of H.R. Planning
- Objectives of HR Planning
- Importance & Process of HR Planning
- Recruitment:- Source & Method
- Selection:- Method & Process
- Induction & Placement of Recruited Employee
- Compensation & Benefit for Employee.

Unit-3: Training & Development:

- Need & Scope of Training & Development.
- Importance & Objectives of Training & Development.
- Principles of Training & Development.
- Performance Appraisal: Concept & Needs
- Performance Appraisal: Importance

Unit-4: Organizational Sociology:

- Organizational Behavior: Concept, Component.
- Organizational Culture & Environment.
- Salary: Needs & Importance
- Components of Sound Salary Structure.
- Types of Incentive Schemes.
Unit – 5: Strategies of HRM:

- Human Auditing in HRM
- Impact of Globalization on HRM.
- Role of Social Worker in HRM.

References:

9) Singh PN: Developing and managing Human resources (Suchandra Publication Bombay-1992).
Labour Welfare

Learner Objectives:

- To understand the basic concept of Labour Welfare.
- To understand the applicability of Labour Welfare in the Industries.
- To aware student about Occupational Hazards
- To enable learners about Social security majors for Labour.

Unit – 1: Introduction to Labour Welfare:

- Concept & Definition of Labour.
- Characteristics of Indian Labour.
- Labour in Organized & Unorganized Sector.
- Concept & Scope of Labour Welfare.
- Principles of Labour Welfare.
- Role & Functions of Labour Welfare Officer.

Unit-2: Occupational Health & Voluntary Welfare Measures:

- Industrial Hygiene & Health
- Occupational Hazards & Diseases.
- Industrial Accidents:- Causes, Prevention
- Safety Administration
- Social Security measures for Labour
- Types of Social Insurance for Labour.

Unit-3: Workers Education:

- Need & Scope of Labour Education
- Workers Education Schemes in India
- Aims, Structure & Function of Workers Education.
- I.L.O (International Labour Organization):- Structure & Function
- Role of I.L.O in Labour Welfare.

Unit-4: Trade Union:

- Purpose & Functions of Trade Union
- Membership & Structure of Trade Union.
- Registration of Trade Union.
- Rights of Registered Trade Union
- Responsibilities of Registered Trade Union.

Unit-5: Legislations for Labour Welfare:

- Minimum Wages Act- 1948
- The Workmen’s Compensation Act -1923
- Maternity Benefit (amendment) Act -2017
References:

2) Subramanian, 2002 Labour Management Relations in India, Asia Publishing House, Chennai.
Learner Objective:

- To know the concept of disaster Management.
- To understand the mitigation process of disaster.
- To understand the various type of disaster.
- To know the disaster Management in India.
- To know the intervention of government and non-government agencies in disaster management.

Unit –I Introduction to Disaster
- Concept, Meaning and definitions.
- Components of disaster.
- Dimension of disasters.
- Phases of disaster.
- Approaches of disaster.

Unit –II Disaster Management
- Meaning & Nature of Disaster Management.
- Importance of Disaster Management.
- Dimensions & Scope of Disaster Management
- Pre-Disaster – Risk Assessment and Analysis.
- Prevention and Mitigation of Disasters.
- Relief and Rehabilitation in Disasters.
- Post-disaster – Damage and Needs Assessment.
- Early Recovery – Reconstruction and Redevelopment.

Unit –III Types and Impact of disaster
- Geological Disasters (earthquakes, landslides, tsunami);
- Hydro-Meteorological Disasters (floods, cyclones, droughts)
- Biological Disasters (epidemics, forest fire).
- Technological Disasters (chemical, industrial, radiological, nuclear).
- Manmade Disasters (Road and rail accidents, nuclear, Chemicals and Biological Disasters)

Unit –IV Disaster Management in India
- Disaster Profile of India.
- Mega Disasters of India and Lessons Learnt
- Disaster Management Act - 2005
- National Policy on Disaster Management (NPDM).
- National Guidelines on Disaster Management.
- Plans on Disaster Management.
Unit –V Intervention of social worker and Agencies

- Role of Government (local, state and national),
- Non-Government and Inter Governmental Agencies
- Role of social worker in disaster Management

References:

1. Disaster Management Guidelines. GOI-UNDP Disaster Risk Reduction Programme (2009-2012)
5. Manual on natural disaster management in India, M C Gupta, NIDM, New Delhi
8.
Learner Objective:

- To understand interactions between organisms and individuals, communities, populations and ecosystems.
- To understand the ecological basis for regional and global environmental issues.
- To develop an interdisciplinary approach to complex environmental problems using basic tools of the natural and social sciences.
- To develop the ability of the social worker to work as a member of an interdisciplinary team on complex problems solving of Environmental Issues.

Unit-1: Introduction to Environment:

- Environment; Scope, Importance
- Component of Environment
- Need for Public Awareness
- Sustainable Development of Environment.
- Multidisciplinary scope of Environmental studies.

Unit-2: Ecosystem:

- Concept of Ecology & Ecosystem
- Structure & Function Ecosystem
- Food Chain
- Basic concept of Population & Community Ecology
- Characteristics of different Ecosystem.

Unit-3: Natural Resources:

- Concept of Renewable & Non Renewable Energy Resources.
- Land Resources
- Water Resources
- Forest Resources
- Energy Resources
- Alternative Non- Conventional Energy Sources.

Unit-4: Environmental Pollution:

- Definition & Concept
- Types of Environment Pollution.
- Causes, Effects & Control of Environmental Pollution.
- Current issues in Environment Pollution (Acid Rain, Global Warming, Green House Effect, Climate Change).
- Concept of Hazard Waste ,Risk to Human Health
- Solid Waste Management.

Unit-5: Environmental Policies, Legislations & Public Awareness:

- Rio Declaration on Environment
- Environment Protection Act
- Forest Conservation Act
- Environmental Education & Public Awareness
- Environmental Conservation: Duties of public.
- Role of social Work in different issues of Environmental Protection.
References:

Learner Objectives:

- To understand the Nature & Utility of as well as Action Research.
- To Familiar with Various Research Design, Method, Statistical Tools & Techniques.
- To cultivate Research Abilities through appropriate applications.
- To understand the skills of Research Report Writing.

1. Applied Research:
   - Comparisons between Basic & Applied Research.
   - Ethics in Applied Research.
   - Problems Involved in Applied Research.

2. Action Research:
   - Meaning, Definition & Objectives of Action Research.
   - Characteristics of Action Research.
   - Main Steps in Action Research.
   - Types & Methods of Action Research.
   - Utility of Action Research in Social Development.

3. Processing & Analysis of Data:
   - Processing Operations in Social Research.
   - Elements or Types of Analysis.
   - Measures of central tendency.
   - Measures of Dispersion.
   - Problems in Processing of data.

4. Interpretation and Report Writing:
   - Meaning of Interpretation.
   - Techniques of Interpretation.
   - Precaution in Interpretation.
   - Significance of Report Writing in Social Research.
   - Precautions for writing Research.

5. Use of Computer in Social Science Research:
   - Need and important of Computer in Research.
   - Important Characteristics of Computer.
   - Computer Applications and their uses in Research.
   - SPSS Application.

Social Work for Public Health

Learner Objectives:

- Understand the concept of public Health and related terminologies.
- Understand the objective and need of Health education in India.
- To Learn the Public Health related diseases.
- To guide Knowledge about Health Policies or Programmers.
- To understand relationship between social work & Public Health.

1. Health And Public Health:
   - Definition & Importance of Health in Human Life.
   - Concept of Public Health.
   - Historical development of public health.
   - Meaning of community Health.
   - Role of Community Health Worker.
   - Relationship Between personal Health and Public Health.

2. Health Education:
   - Definition & Meaning of Health Education.
   - Need of Public Health Education.
   - Objectives of Health Education on India.
   - Programs under Health Education.
   - Role of Social Worker in Public Health Education.

3. Diseases Reportable to Public Health:
   - Types of Diseases: Communicable & Non Communicable
   - Nutrition Deficiency Diseases.
   - Chicken pox, Cholera, Malaria, Measles, Plagues, Rubella, Tuberculosis, Leprosy.
   - Concept & Needs of Preventing the Diseases.
   - Preventives Measures of Diseases.
   - Role of Primary Health Centre in Public Health.

4. Health Policies & Programmes:
   - National Health Policy.
   - National Rural Health Mission.
   - National Immunization Programme & Pulse Polio.
   - National AIDS Control Program.
   - Need of Awareness of Health Program.
   - Implementation of Health Program.
5. Social Work & Public Health:

- Role of Social Worker in Public Health.
- Communication & Counseling for Public Health.
- Capacity building & Training of Public Health Workers.
- Yoga & Healthy Life Style for Sound health.

References:

XXXI

Communication Skill for Social Workers

Learner Objective:

- To study the concept related to Communication, Media & Development.
- To learn the skills of proper communication with the clients.
- To study concept of Public Opinion & Public Relation.

Unit-1: Introduction to Communication:

- Communication: Concept and Definition.
- Components & Significance of Communication.
- Principles and Skills of Communication.
- Steps & Channels of Communication.
- Methods of Communication.
- Barriers of Communication.

Unit-2: Models & Types of Communication:

- Models of Communication.
- Theories of Communication.
- Formal and Informal Communication.
- Intrapersonal and Inter-personal Communication.
- Verbal and Non-Verbal Communication.
- Oral and Written Communication.

Unit-3: Skills in Communication Development:

- Use of photo language, Poster, Puppets, Role play & Street Play.
- Folk Media: Definition, Types
- Problems faced in using folk media
- Folk Lore, street Theatre, Logos, Exhibition for Communication.

Unit-4: Mass Media & Communication:

- Print Media: (Newspaper, Magazines, Journals), Current trends, Strength and limitations.
- Audio visual media: (Radio, TV, Cinema) Strength and limitations, Community Radio.
- Role of Social Worker in uses of various Mass Media.

Unit-5: Public Relation:

- Public Opinion: Definition, Stages, Determinants.
- Public relation: Definition, Needs of P.R in Social work, Tools of P.R.
- Advocacy: Needs
- Media Ethics

3) Sherron, B: The Presentation skills workshop, helping people create & Deliver Great Presentation, New Delhi, Prentice Hall of India, 2008.
LEARNER OBJECTIVES:

- To orient learners to fields of Medical & Psychiatric Social work.
- To enable learners to understand concept of Medical & Psychiatric Social work.
- To learn therapeutic approaches of Intervention & Rehabilitation.
- To enable students work as member of mental health team.

Course Content:

1) **Concept of Psychiatric Social work**
   - Concept, Scope & Definition of Psychiatric Social Work
   - Functions of Psychiatric Social Workers
   - Principles of Psychiatric Social Work
   - Types of Psychiatric Social Workers:
     - Analysis of Mental Health Problems among Weaker section of Society such as:
       a) Women
       b) Children
       c) Disaster Victims
       d) Old Aged persons

2) **Social Work Intervention in Medical Field**
   - General Hospitals
   - Community Health Centers
   - Blood Banks
   - Organ Donation Centers
   - Health Camps
   - Physical & Mentally Challenged School
   - Physical & Mentally Challenged Residential Institutions

3) **Psychiatric Social Work in Special Setting**
   - Mental Health Institutions
   - Psychiatric Departments in General Hospital
   - Child Guidance Clinic
   - Day Care Centers
   - Crisis Intervention Centers
   - Care & Intervention of Rape victims & PLHA (Peoples Living with HIV/ AIDS)

4) **Substance Abuse & Social Work Intervention**
   - Alcoholism & Social Deprivation
   - Characteristics of Alcoholism
   - Drug Abuse: Concept, Meaning & Definition
   - Characteristics of Drug Abuse
   - Reasons for Substance Abuse
   - Counseling in Substance Abusers
5) Psychological Rehabilitation
   - Concept & definition of Psychological Rehabilitation
   - Principles of Psychological Rehabilitation
   - Components of Psychological Rehabilitation
   - Process of Psychological Rehabilitation
   - Programme of Psychological Rehabilitation
   - Role of Social Worker in Psychological Rehabilitation
     a) Psycho education
     b) Case Management
     c) Discharge Planning

XXXV

MENTAL HEALTH

Learner Objectives:

- To develop positive mental Health understanding in students.
- To develop understanding to differentiate between mentally healthy & disordered person.
- To enable students understand community mental health policies & legislations for healthy society.
- To enable students work as member of mental health team.
- To prepare students to provide basic counseling & support to patients & Family members.

1. Introduction to Health & Mental Health:
   - Health : Concept & Definition
   - Mental Health: Concept & Definition
   - Mental Health Hygiene: Concept & Definition
   - Characteristics of Mentally healthy Person
   - Warning signs of Mental Disease.
   - Principles of protection of Individual Mental Health
   - Causes of Mental Illnesses
   - Multi Dimensional Impact of Mental Health Problems.

2. Models of Mental Health
   - Concept of Well Being & Mental Illness
   - Concept of Normality & Abnormality
   - Models :
     a) Bio-Psycho-Social Model
     b) Social Determinants Model
     c) Recovery Model
     d) Structural Model

3. Community Mental Health
   - Concept & definition of Community Mental Health
   - Models of Community Mental Health
   - Mental Health Advocacy
   - Community Mental Health: Promotion & Prevention
   - Community Based Mental Health Services
   - Approaches in School Mental Health.

4. Programme, Policies & Legislations Related to Mental Health in India
   - National Mental Health Policy of India
   - Mental Health Act, 1987
   - The Mental Health Care Bill, 2013
   - Mental Health Services
   - Role of Social Worker in Effective Implementation of Legislation & Policies.
5. **Counseling Intervention in Mental Health**

- Drug & Addiction Counseling.
- Mental Health Counseling.
- Child Guidance Counseling.
- Behavioral Counseling in Children.
- Mental Health First Aids: Meditation & Yoga.
