The peacock is our national bird. It is large in size. It has long, blue and green feathers on its tail. It spreads out its feathers like a fan and dances, when it is happy.

Here is our national flag. It has three colours—saffron, white and green. That is why it is called the tricolour. The flag has a wheel with 24 spokes in the centre. The colour of the wheel is dark blue.

This is our national emblem. It has four lions standing back to back. The four lions face the four directions. You can see the emblem on our coins and currency notes.

The tiger is our national animal. It is a wild animal. It lives in the jungle. It has stripes of yellow and black. It can move very fast.
