The picture shows a popular way to remember long and short months. Starting with January, the long months sit on the knuckles, while short months are in the spaces between.
I am Lakshmi. I live in Chennai. These days the sun is too hot. My feet burn if I walk barefoot. I like to sit in a pool.

I am Ashraf. I live in Kashmir. Most of the time here the wind is very cold. It makes my teeth chatter. I like to sit in the sun or near a fire.

I am Rubaiya. I am in Meghalaya. Here the rains just don’t stop. The sun is hiding behind dark clouds.

Encourage children to share their own experiences about different seasons.
