

The most prestigious Entrance Exam of Medical, NEET-UG 2019 in Pen and Paper mode has been conducted on 5th May 2019 (Sunday) from 2 PM to 5 PM across the nation.

Number of questions in the paper was 180 (45 Questions in Physics, 45 in Chemistry and 90 in Biology) and total marks was 720 with 1/4th negative marks for each wrong answer.

Detailed solution and answer key are available on www.careerpoint.ac.in

Overall Analysis of Question Paper

The Paper of NEET 2019 was much easier as compared to NEET 2018. Questions from All the three subjects Physics, Chemistry and Biology was NCERT based. In Physics Mechanics and Modern Physics dominated the paper. In Chemistry Physical chemistry dominated. In Biology the paper was dominated by Ecology and Biotechnology.

Subject Wise description of question paper

PHYSICS

The Paper of Physics was almost equally divided in Class 11th and 12th Syllabus. Mechanics and Modern Physics in combine covered almost 50% of the paper. There were easy questions from Current Electricity and Magnetic Effect of Current. Thermodynamics and Properties of Matter also played the key role.

It was an Easy Paper as compared to NEET 2018.

CHEMISTRY

The Paper was dominated by Physical Chemistry. Total 19 Questions from Physical, 14, 12 Questions from Inorganic and Organic Chemistry respectively.

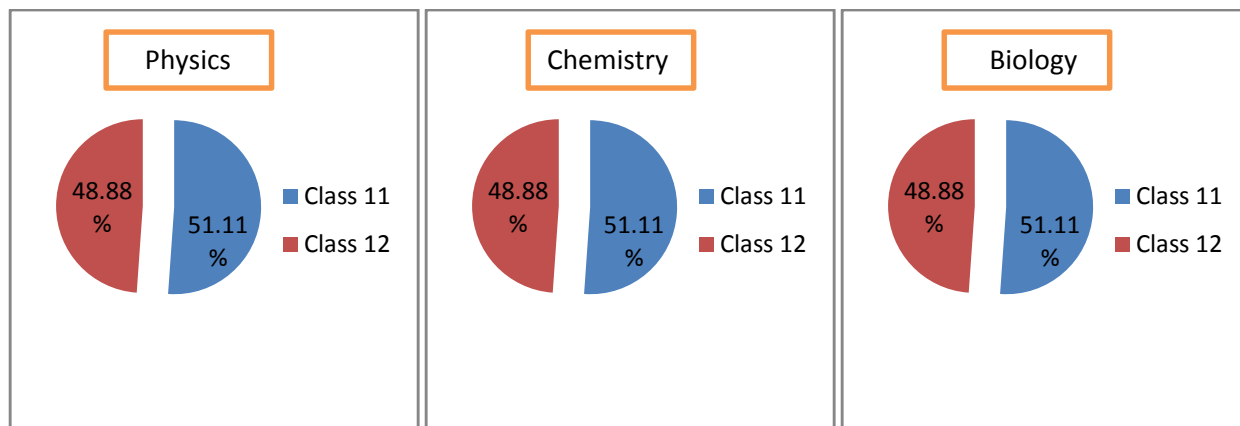

Entire paper was based on NCERT and Its was an easy paper as compared to paper of NEET 2018.

Biology

Biology paper was of average level. Four questions are slightly twisted and out of NCERT. 40 Questions from Zoology portion and 50 questions from Botany portions.

QUESTION PAPER ANALYSIS (SYLLABUS FROM CLASS 11th AND 12th)

	PHYSICS		CHEMISTRY		Biology	
	Class 11	Class 12	Class 11	Class 12	Class 11	Class 12
Total Q	23	22	23	22	46	44
Marks	92	88	92	88	184	176
% Marks	51.11 %	48.88 %	51.11 %	48.88 %	51.11 %	48.88 %
